
Refund Policy

1. Introduction: At Reboot AI Pvt Ltd, we strive for customer satisfaction. If you're not satisfied with our services, we have a refund policy in place.

2. Eligibility for Refund:

- We don't have any refund policy as payments once made refund is not possible. However we can adjust the payment against other services case-by-case basis & depends on Director's Final approval.
- We strive hard to deliver as per requirements & for that We have UI/UX Initiative where We deliver Actual UI/UX & only if approved by client then Start the Development & take advance. This strengthens trust & also flexibility for multiple modifications on the project's UI.
